

Annual Report
R.S.D. College, Ferozpur City
 Session 2023-2024

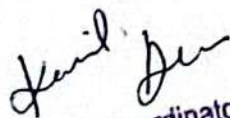

The session 2022-23 was a threshold year for the college. The college made giant leaps in multiple directions. The biggest event of the year was successful completion of the second cycle of NAAC Accreditation. A considerable improvement from grade B to B++ was a great morale booster for the college. However, it has also been realized that “petty done, undone vast.” The session was also marked by preparation for implementation of NEP in accordance with the guidelines of Panjab University and requirements of the college. 46th Annual Athletic Meet was also one of the highlights of the session. There was also a special focus on activities related to Artificial Intelligence.
